Welcome to Summit Natural Wellness Center

Congratulations on taking this important step toward improving your health. We are dedicated to providing you personalized health care with an emphasis on science-based natural therapies.

If this is your first visit to a Naturopathic doctor, it is important that you understand our health care philosophy and how we differ from conventional medical practices. If you have not done so already, please review the content of our website (www.snwcenter.com) as it discusses in detail everything you need to know about our center, the doctors and other general information regarding your appointment.

Included in this document, please find our comprehensive Health Questionnaire/Intake form, which we ask that you complete in advance of your initial visit. We ask this because much of the information required on the form is readily available to you at home. Completing the form prior to your appointment will ensure that we have all the information necessary to provide you the best care possible.

Also included in this document is our Informed Consent/Financial Policies form. Please carefully review and sign the document prior to your appointment.

If you have questions or concerns regarding either of the aforementioned forms, please contact us.

Along with the forms, please also remember to bring the following items to your initial appointment.

- Recent Lab Results
- Pathology Report
- Current Medications
- Current Supplements

Also, because of allergies and sensitivities that others may have, please do not wear any perfumes, scented lotions, aftershaves, or other scented products to your appointments.

Once again, we appreciate you having entrusted us with your health care needs, and are excited that you are taking this very important step toward achieving your health goals. We are looking forward to seeing you.

Yours In Health,

Dr. Nicholas Parasson
Dr. Julieann Flynn
Dr. Angela Karvounides

Informed Consent and Financial Policies

This form provides important information regarding Summit Natural Wellness Center's services and financial policies. Please read it carefully and sign at the bottom indicating you read, understand and agree to its content. Please ask questions if you would like clarification or additional information. A copy of this form is available should you request.

Doctors Parasson and Flynn are graduates of Bastyr University located in Seattle, Washington. Dr. Karvounides is a graduate of University of Bridgeport School of Naturopathic Medicine in Bridgeport, Connecticut. All three doctors are trained and licensed as primary care physicians in states other than Ohio. At this time, the state of Ohio does not license Naturopathic physicians and has not adopted any educational or training standards for Naturopaths or Naturopathic physicians. This statement of credentials is for informational purposes only.

Under Ohio law, a Naturopath or Naturopathic physician may not provide a medical diagnosis, prescribe medical treatments or recommend discontinuance of these treatments. Therefore, our services are not to be misconstrued as directly or indirectly dispensing medical advice for the cure or mitigation of any disease or condition. Nor is it an attempt to diagnose or prescribe, being that Nicholas J. Parasson, N.D., Juliann Flynn, N.D., Angela Karvounides, N.D. and staff are not licensed M.D.s, D.O.s, chiropractors, nurses, dietitians, physical therapists or any other type of licensed practitioner in the state of Ohio. If a client desires a diagnosis or service from one of these licensed practitioners, the client may seek or continue such services at any time.

The client understands that our recommendations and services are primarily that of an educator, consultant or "coach" in regard to the utilization of natural methods for building and maintaining health. The client agrees to hold harmless and waive any claim of present or future liability or negligence against Nicholas Parasson, N.D., Julieann Flynn, N.D., Angela Karvounides, N.D., and / or Summit Natural Wellness Center for recommendations, services rendered or products purchased. The client understands that the recommendations and services rendered by Summit Natural Wellness Center may differ from those usually offered by a conventional medical doctor or other health care provider.

The client is aware that Naturopathic health care is not an exact science and acknowledges that no guarantees have been made as to the results of services and accepts no responsibility for their outcomes.

Confidentiality: All information provided on the health questionnaire/intake form or during office visits is confidential. Information will only be released outside of our center with signed request.

Fees and Payment: Fees for office visits, phone consultations, and email correspondence are based on a rate of $120.00 per hour. Summit Natural Wellness Center requires payment in full at time of service for office visits, phone consultations, email correspondence, supplements and/or products sold. Payment methods include cash, checks, and major credit cards.

Cancellation Policy: Summit Natural Wellness Center requires that cancellations for scheduled appointments be received 24 hours in advance during regular office hours (M-F, 9am-5:30pm). We reserve the right to charge for missed or canceled appointments that do not follow this policy.
